## SELECTION OF BODY SCRUB

50 min / USD 65

### COFFEE

Natural scrub agent, with powerful ingredient of anti-aging and rich in antioxidants with various effects including soothing and purifying blemished skin. Recommended for cellulite problem.

### JASMINE

Especially to increase skin's elasticity and help balance moisture in the skin to naturally reduce dryness. Plus, its natural antibacterial properties protect skin from assault and aid skin's immunity.

### ORANGE

Powerful defender against oxidative stress and will keep the skin cells healthy by improving the production of collagen. It also enhances the ability of the skin to regenerate in order to maintain young and glowing appearance.

### GREEN TEA

An instant helps for dry skin and other skin problems. Deep moisturizing with skin healing properties as well as powerful antioxidant agent. Recommended for promoting skin regeneration.

### COCONUT & ALOE VERA

Maintain the skin stay moisturized, with the fat preventing moisture loss through the skin's pores. These fats give the skin a healthy, smooth and even tone.

## SELECTION OF BODY WRAP

50 min / USD 65

### CUCUMBER

With cucumis Sativus (Cucumber) fruit extract: the juice is composed largely of proteins, lipids, Vitamin C, and a variety of minerals, and possesses moisturizing and emollient properties. It also has an astringent effect, and can soothe and relieve puffy skin.

### GREEN TEA

A strong antioxidant effect that protects the skin from the damaging effect of free radicals, slows down the ageing process and makes your skin look youthful.

### COCONUT

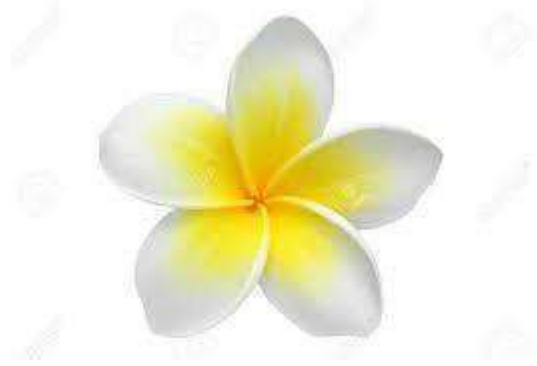

With mucifera (coconut) fruit extract which help the skin stay moisturized and beneficial to soothe irritated and dry skin. Many skin types can benefit from milk protein's nourishing and healing properties.

### MANGOSTEEN

Garcinia Mangostana (Mangosteen) peel extract to maintain healthy skin, anti-inflammatory, anti-allergy and antioxidant properties to reduce risk of various conditions such as skin inflammation, aging, and bacterial infections.

### TURMERIC

Curcuma Longa (Turmeric) Root Powder will help in both reversing and preventing photo-aging. It also a potent antioxidant that scavenges free radicals that are produced in our skin due to exposure to UV rays of the sun, pollution, and harsh chemicals.
